

## FIND A TAILORED PURCHASING SOLUTION WITH PESTPARTNERS 365

2018

The PestPartners<sup>SM</sup> 365 Program allows you to plan your product purchases to save all year long, which maximizes your purchasing power.

### How PestPartners 365 works

Purchase Syngenta products from any Authorized Syngenta Channel Partner by March 31, 2018. Your total purchases between **October 1, 2017** and **March 31, 2018** (Qualification Period) determine your total rebate savings on all Syngenta purchases made between **October 1, 2017** and **September 30, 2018** (Program Year).

Qualifying is simple: generate at least \$200 in Base Rebates during the Qualification Period to automatically qualify for the program.

Redemption is even simpler: there are no forms required to redeem your rebates. You'll receive your rebate payments at scheduled times throughout the year.
